articulink

Online speech therapy · Ages 2 to 18

Wondering about your child's speech?

Talk it through with a licensed speech-language pathologist in a free 15-minute consultation, online from home.

Signs it may be worth a check:

- Uses fewer words than other kids their age
- Points or gestures instead of talking
- Stutters or gets stuck on words
- Hard to understand when they talk
- Gets frustrated when not understood
- Trouble following simple directions

Next step: book a free 15-minute consultation

Scan the code or visit **articu.link/free-consult**. You'll talk with a licensed speech-language pathologist, by video from home. Have questions? Bring them to the consultation, or see articu.link/questions.

This page is for general information. Talk with your child's dentist or doctor about their specific needs.
